VISION CARE®

Vision Wellness for All

Your vision wellness program gives you affordable eye care with the convenience you deserve.

Eye Health Equals Better Health

Regular eye exams do more than just measure your eye sight. They can detect serious eye diseases early, allowing for more proactive treatment. What most people don't realize is that eye examinations can also reveal the early signs of serious illnesses like diabetes, heart disease and high blood pressure.

Savings All Year Long

EyeMed's program includes discounts on all your eyewear purchases, even after you've used your primary benefit. Whether buying additional pairs of glasses or just stocking up on supplies like cleaning cloths, you never have to pay full price for vision care needs.

Convenience That Counts

As an EyeMed member, you get the convenience your lifestyle demands. You can use your benefits at thousands of private practice and retail-affiliated providers across the country, most with evening or weekend appointments available. And with the nation's top optical retail brands on the panel, high quality eye care is located where you live, work and shop. We back this up with a Customer Care Center available seven days a week to respond to your questions.

If you haven't already scheduled your yearly eye exam, find a doctor today by visiting www.eyemedvisioncare.com.
